PROFESSIONAL EXPERIENCE

SENIOR ACCOUNT MANAGER | Coforge (Encora), India | Feb 2021 – Present

- Manage a portfolio of enterprise clients across technology and healthcare sectors, with responsibility for delivery excellence, customer success, stakeholder alignment, and account outcomes.
- Lead cross-functional teams of 200+ across enterprise engagements, coordinating priorities, delivery execution, dependencies, and stakeholder communication.
- Act as a strategic advisor to C-level stakeholders, supporting renewals, upsell, and expansion opportunities while aligning client needs with delivery capabilities.
- Delivered $30M+ in new revenue in the last fiscal year and maintained 85%+ retention and renewal rates.
- Reduced customer churn risk by 15% through Salesforce CRM dashboards and structured customer-health tracking.
- Increased client adoption by 20% through proactive onboarding and engagement strategies.
- Improved time-to-value by 10% by streamlining implementation processes and strengthening the customer onboarding experience.
- Coordinate account governance activities across client priorities, delivery teams, commercial considerations, resources, and operational issues.
- Use structured reporting and stakeholder communication to surface risks, track actions, and support timely escalation and decision-making.

TECHNICAL LEAD | CitiusTech, India | 2018 – 2021

- Directed a team of developers delivering scalable SaaS solutions for enterprise clients.
- Partnered with product managers to design and implement data-driven customer success strategies.
- Coordinated technical delivery and stakeholder requirements across enterprise client engagements.

SOFTWARE ENGINEER | Zeus Learning, India | 2015 – 2018

- Developed scalable front-end applications using React, Angular, and Vue.js for SaaS and enterprise clients.

TECHNICAL SALES ENGINEER | Movvel Tech Solutions, India | 2014 – 2015

- Consulted with enterprise customers on product issues and provided technical account support.

EXECUTIVE | GTL Limited, India | 2013 – 2014

- Built and supported enterprise web applications using JavaScript and .NET.

EDUCATION

Bachelor's in Technology – Computer Science | Rajasthan Technical University, India | 2013
